

WHOLE PERSON CARE PRECEPTORSHIP

a health student summer mission project / june 9 - july 11, 2012

"I came with a blank slate - God filled it and topped it off with great friends."

REGINA LI, MEDICAL STUDENT
UNIV. OF CALIFORNIA SAN DIEGO

"One of the best ways a med student could spend their summer."

HAROLD HONG, MEDICAL STUDENT
CASE WESTERN RESERVE UNIV.

"The was one of the best things to happen to my medical career and indeed, my life. I am better able to truly and wholly treat my patients."

BRUCE SABATH, MEDICAL STUDENT
THE JOHNS HOPKINS UNIVERSITY SCHOOL OF MEDICINE.

"I've grown in my vision ... to deliver spiritual care to my patients."

JOHN CHEN, MEDICAL STUDENT
COLUMBIA UNIVERSITY

"I'll be practicing these skills for the rest of my life."

SUSAN BAKER, RN
ALUMNI, UNIV. OF NORTH CAROLINA

"I prayed God would reveal His will for my life. He answered it."

JANETTE MARROQUIN,
MEDICAL STUDENT UCLA

"This is on the cutting edge in training for spiritual care."

ERIC RIDDLE, MEDICAL STUDENT UNIV. OF NEBRASKA

"Shadowing Christian docs, seeing them share the Good News made an impact."

ALLEN CHIANG, MEDICAL STUDENT
NEW YORK UNIV.

THE NEED IS REAL

Many Christian health students long to integrate their faith into their professional practice. National studies indicate that 60%-70% of patients want their health provider to address their spiritual needs. Yet most professionals do not know how to do this and health students are not taught.

Spend four weeks this summer learning to meet both the physical and spiritual needs of your patients. You'll begin by participating in a *Medical Evangelism Training & Strategies Conference (METS)*.

Experienced Christian physicians and nurses will train you to care for the whole person - body, mind, and soul - in an ethical, caring, sensitive, and non-coercive manner. In numerous health-care settings, you'll apply what you've learned by offering the life-changing hope of Jesus Christ. Participate in the care of patients with AIDS. Personally participate in service projects to underserved communities. You will develop life-long friendships while making an eternal difference in someone else's life.

HANDS-ON TRAINING

Daily, you'll have direct patient care experiences in outpatient and hospital settings. In the evenings, you'll be involved in intensive Bible study and discipleship groups, led by Christian health professionals. Spiritual leadership development will prepare you to return to your campus and impact your Christian friends and reach your classmates for Christ. Participate in discussions on ethical issues facing health professionals and students. Plus, have a personal spiritual mentor to walk with you through the summer.

You'll grow in your own personal walk with God. Live in community with other Christian health students. Be stretched and challenged. As you trust God in new ways, you'll gain professional, ministry, and leadership skills so your life can be spent serving the Master physician.

FUN & SUN

Held in Redlands California, the Preceptorship is a short drive to beaches, rock climbing, mountains, deserts, theme parks, hiking, surfing, professional athletics, world-class shopping, museums, and restaurants. While you enjoy the best of California, you'll build great relationships and return to school refreshed and rejuvenated.

ELECTIVE CREDIT

Clinical elective credit for participating students and research opportunities may be available. Contact our office for details.

The Medical Strategic Network is a nondenominational evangelical organization dedicated to equipping health professionals to reach their sphere of influence for Jesus Christ.
